Process for Online remittance

Steps	Description
1	Go to www.bankofbaroda.com.au home page and click on "Online Remit"
2	Select your country i.e. AUSTRALIA
3	Select "Retail User"
4	Input your Login ID and Sign-on password. You will get intimation from system to change your sign-on and transaction password. Once changed, please login with your new sign-on password
5	Select "Transfer"
6	Click on "fund transfer to India"
7	First, to register your beneficiary, click on "Register Beneficiary". For BOB Beneficiary details, click on "register BOB beneficiary" For Non-BOB Beneficiary, click on "register non-BOB beneficiary" Also, please check your latest mobile number and email ID.
8	Input beneficiary details, such as beneficiary name, account type, beneficiary name etc.
9	Click on "send for confirmation". You will receive tracker ID on your registered mobile number
10	Please go to "beneficiary registration confirmation". Check the beneficiary details and select. Enter the tracker ID received on your mobile no and click on CONFIRM. Your beneficiary detail is registered.
11	Go to "fund transfer to India" and click on "make a payment"
12	Select "beneficiary account name and click on "beneficiary details"
13	Select the Bank, in which you have transferred the AUD fund and input the amount transferred/deposited in Bank.
14	In the customer ID field, input your Login ID and input the same login ID only in the 'description field' of the local Bank from where you are transferring the AUD fund in our account.
15	Click on "get exchange rate". In the end, select purpose of remittance
16	Click on "send OTP for remittance". You will receive tracker ID/OTP on your registered mobile number. The same has to be inserted in "enter tracker ID".
17	Then, input 'customer ID' and transaction password and click on "validate". A receipt will be generated and you can save/print the same for your record.
